

Study Notes for Revelation 6

- **Review:** In the previous study what did we determine the scroll represented?
- What takes place as a result of the Lamb opening the first seal?
- Who is the rider on a white horse and how do we use this chapter to determine his identity?
- Read the description of Jesus in **Revelation 19** and lay out the differences between the two riders?
- In **verses 3-4** what is the result of the opening of the second seal?
- In **verses 5-6** what takes place on the earth based on the opening of the third seal?
- In **verses 7-8** what takes place on the earth based on the opening of the fourth seal?
- These first four riders on horses are referred to as the four horsemen of the apocalypse. What do the events ushered in by the four horsemen have in common?
- The fifth seal is an interlude rather than a judgment. What does John see and hear when the 5th seal is opened?
- What do the souls under the altar ask the Lord to do and what are they told?
- **Revelation 6:10–11** was an important insight for first-century readers who were enduring persecution. Why is this an important insight for you and other modern Christians?
- What part of creation is primarily affected by the opening of the 6th seal?
- List from **verses 12-14** all the things that happen as a result of the 6th seal being opened.
- How will people react to the sixth seal's judgment (6:15–17)?
- In **verse 17** what will the people of the earth understand about what is happening in the world during the Great Tribulation?
- What do you feel was the most significant thing you learned from this study?
- How should this study affect a believer's prayer life?
