

Romans 10 Study Notes • To Everyone Who Believes

Note from Pastor Paul: You will notice on this week's notes that there are bullet points that appear in front of the questions. You will also notice that SOME points are indented. This means the indented questions offer further queries on the question immediately above. Kinda like this:

- ☐ Main question
 - ☐ Sub-question based on the previous question

Read Romans chapter 10

Questions about the Passage:

- In what ways can we see that the Jews had a zeal for God?
- What is the difference between man's righteousness and God's?
- What does it mean that Christ is the "end of the law for righteousness"?
- Re-read Romans 10:9 - What two things are necessary according to this verse to be saved?
 - Why confess?
 - Does a confession guarantee true belief?
 - What does it mean to confess Jesus "as Lord"?
- **verse 19** - Why did God intend to make Israel jealous?
 - When will this occur?
 - Isn't jealousy a bad thing?
 - Why or why not?

Digging Deeper:

- What does verse 21 tell us about God's/Christ's character? Patience.
- Re-read verses 14-15. Paul doesn't answer these questions. How should they be answered?
- Paul said that Israel has zeal without knowledge. **Read John 4:24**
 - How does the passage in John speak to the issue of having both zeal and knowledge?
 - What would be the result of worshipping Jesus without truth?
 - How about worshipping Jesus without the Spirit.

Applying God's Word:

- What can you DO to make sure your passion for God is also attended by knowledge?
- Why do you think it's so easy for people to slip into thinking that they need to WORK to be acceptable to God?
 - What can we do to keep ourselves from that trap?
